

STEYR SSG 04 A1

STEYR SSG 04 A1

The new STEYR SSG 04 A1 has been specially designed to serve law enforcement application.

It is built on the proven SBS system and features a heavy hammer-forged barrel with muzzle brake to accept silencer, hi-capacity 10-round magazine, extended Picatinny rail system (Mil. Std. 1913 rail) permits attachment of day and night sights, bipod, a newly developed outstanding trigger and a fully adjustable butt stock.

The fibreglass reinforced polymer stock in combination with the rugged locking system and match grade STEYR barrel guarantees perfect accuracy.
